### Independent Auditor's Report on Financial Statements and Supplementary Information

Board of Directors One Child Matters (formerly Mission of Mercy) a Division of Bethesda Ministries Colorado Springs, Colorado

We have audited the accompanying financial statements of One Child Matters (formerly Mission of Mercy), a division of Bethesda Ministries, which comprise the statement of financial position as of September 30, 2013, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Board of Directors One Child Matters (formerly Mission of Mercy) a Division of Bethesda Ministries

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of One Child Matters as of September 30, 2013 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Report on Summarized Comparative Information

We have previously audited the September 30, 2012 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our reports dated January 24, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2012 is consistent, in all material respects, with the audited financial statements from which it has been derived.

### Supplementary Information

Our audit of the financial statements was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information, including the schedule of functional expenses, listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

### Note 1: Nature of Operations and Summary of Significant Accounting Policies

### **Nature of Operations**

One Child Matters (formerly Mission of Mercy) operates as a division of Bethesda Ministries (Bethesda), a not-for-profit corporation exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. One Child Matters exists to equip children in developing nations to reach their God-given potential by creating opportunities for spiritual, physical, social, mental and emotional development. Outreaches include, but are not limited to, child development centers, elementary, secondary and vocational education, orphanages, medical projects, health care, feeding programs, a home for babies with AIDS and other Christian ministries of compassion.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

### Cash Equivalents

One Child Matters considers all liquid investments with original maturities of three months or less to be cash equivalents. At September 30, 2013 and 2012, cash equivalents consisted primarily of demand deposits and money market accounts with brokers.

At September 30, 2013, One Child Matters' demand deposit cash accounts exceeded federally insured limits by approximately \$432,000. In addition, there are money market accounts held with brokers that are not covered under the FDIC insurance limit of \$250,000. The total amount of these uninsured brokerage accounts was approximately \$132,000 at September 30, 2013.

#### Accounts Receivable

Accounts receivable balances consist of employee advances for mission trips and amounts to be received under various split-interest agreements.

#### Investments

Investments in equity securities having a readily determinable fair value and in all debt securities are carried at fair value. Investments in limited partnerships are carried at their estimated fair value as determined by the partnerships. Other investments are valued at the lower of cost or estimated fair value.

# Notes to Financial Statements September 30, 2013 (With Summarized Financial Information for September 30, 2012)

### Furniture, Equipment and Software

Furniture and equipment are recorded at cost or, if donated, at estimated fair market value at the date of donation. Costs of computer software developed or obtained for internal use are recorded in accordance with Accounting Standards Codification (ASC) Topic 350. Under Topic 350, costs incurred during the preliminary project stage are expensed as incurred, costs incurred during the application development stage are capitalized and training and maintenance costs incurred during the post-implementation/operation stage are expensed as incurred. Depreciation of furniture, equipment and software is provided on the straight-line method at the following rates:

Furniture and equipment	3 - 10 years
Leasehold improvements	10 years
Computers – hardware	3 - 5 years
Computers – software	5 - 7 years
Transportation equipment	3 - 5 years

### Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use by One Child Matters has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by One Child Matters in perpetuity.

#### **Contributions**

Gifts of cash and other assets received without donor stipulations are reported as unrestricted revenue and net assets. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted revenue and net assets. When a donor stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Gifts and investment income that are originally restricted by the donor and for which the restriction is met in the same time period are recorded as temporarily restricted and then released from restriction.

Gifts of land, buildings, equipment and other long-lived assets are reported as unrestricted revenue and net assets, unless explicit donor stipulations specify how such assets must be used, in which case the gifts are reported as temporarily or permanently restricted revenue and net assets. Absent explicit donor stipulations for the time long-lived assets must be held, expirations of restrictions resulting in reclassification of temporarily restricted net assets as unrestricted net assets are reported when the long-lived assets are placed in service.

(With Summarized Financial Information for September 30, 2012)

### **Contributed Services**

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance nonfinancial assets or require specialized skills possessed by the individuals providing the service and the service would typically need to be purchased if not donated. Contributed services consisted of medical services provided under the Medical Mercy program. Contribution revenues recognized from these services were approximately \$162,000 and \$118,000 for the years ended September 30, 2013 and 2012, respectively.

### Contributions to Foreign Operations

Contributions to foreign operations are considered to be expenses when One Child Matters commits to disburse funds to the overseas projects.

### Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the statements of activities. Certain costs have been allocated among the program, general and administrative, and promotion and development categories based on the actual expense purpose.

#### Income Taxes

One Child Matters, as a division of Bethesda, is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of state law. However, One Child Matters is subject to federal income tax on any unrelated business taxable income. There was no unrelated business taxable income during the years ended September 30, 2013 and 2012.

One Child Matters files tax returns in the U.S. federal jurisdiction. With a few exceptions, One Child Matters is no longer subject to U.S. federal examinations by tax authorities for fiscal years before 2010.

### Summarized Comparative Information

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with One Child Matters' financial statements for the year ended September 30, 2012, from which the summarized information was derived.

# Notes to Financial Statements September 30, 2013 (With Summarized Financial Information for September 30, 2012)

(A) This category includes investments in funds of hedge funds that invest in other limited partnerships. The other limited partnerships invest principally in equity securities in public and nonpublic companies, across various industries in the United States. These limited partnerships engage in diversified investment strategies utilizing a multi-manager approach to invest in various liquid and illiquid securities.

During 2009, One Child Matters executed a full redemption request with the fund managing 100% of the value of investments in this category. Due to this redemption request as of September 30, 2013:

- Investments representing approximately 73% of the value of investments in this category reside in cash holdback accounts.
- Investments representing approximately 27% of the value of investments in this
  category reside in special purpose/side pocket arrangements until the funds are
  redeemed.
- Approximately 59% of these investments have been redeemed. Management expects the majority of the remaining balance to be received in distributions over the next two years.

### Note 3: Disclosures About Fair Value of Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- **Level 1** Quoted prices in active markets for identical assets or liabilities
- **Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- **Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Following is a description of the valuation methodologies and inputs used for assets and liabilities measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended September 30, 2013. For assets classified within Level 3 of the fair value hierarchy, the process used to develop the reported fair value is described below.

#### Investments

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. Level 1 investments include common stock, domestic and international large-cap, domestic small-cap, fixed income, emerging market equity and alternative strategy mutual funds. Other than limited partnerships, Bethesda currently does not have any Level 2 or Level 3 investments.

### Limited Partnerships

One Child Matters is invested in limited partnerships which are described in Note 2. As Level 1 and Level 2 inputs are not available, these investments are classified within Level 3 of the hierarchy.

### **Note 5: Related-party Transactions**

One Child Matters operates as a division of Bethesda. Transactions between One Child Matters and other related entities were as follows:

- During the years ended September 30, 2013 and 2012, Bethesda affiliates gave \$10,197 and \$2,559, respectively, to One Child Matters programs.
- During the years ended September 30, 2013 and 2012, Bethesda subsidized certain
  overhead costs of One Child Matters in order to reduce the ongoing overhead burden on
  funds received from donors. Specifically, during the years ended September 30, 2013 and
  2012, Bethesda gave \$410,000 and \$300,000, respectively, to One Child Matters to
  subsidize unrestricted general, administrative and promotional costs. These items were
  recorded as a decrease in supporting services as donors' funds were not used for these
  expenses.
- One Child Matters had noninterest bearing payables to Bethesda and entities to which Bethesda is related. The balance of the payables was \$69,300 and \$76,248, as of September 30, 2013 and 2012, respectively.
- An entity, to which Bethesda is related, charged \$432,659 and \$397,170 for computer, accounting and other services provided to One Child Matters during the years ended September 30, 2013 and 2012, respectively. Bethesda charged One Child Matters \$170,727 and \$161,450 for the rental of office and storage space during the years ended September 30, 2013 and 2012, respectively. The rent is charged on a monthly basis; as such, there is no future operating lease commitment.

### Note 7: Permanently Restricted Net Assets

The balance of the permanently restricted net assets consists of two endowments held in perpetuity, income from which is available to support child sponsorship funding.

### Note 8: Retirement Plan

Bethesda has established a retirement plan for the benefit of its employees and their beneficiaries under a 403(b) arrangement. The plan covers all eligible One Child Matters employees and their beneficiaries. Employees are eligible for employer contributions after one year of service and attainment of age 21. For the years ended September 30, 2013 and 2012, the employer matched employee contributions up to 3% of employee contributions. Additional amounts are contributed at the discretion of the Board of Directors, generally 1% of contributions not to exceed 3% of employee contributions. The employer contributions vest to the employee at the rate of 20% per completed year of service and reach 100% when five years of service are completed; unvested amounts are returned to the employer after an employee terminates. Contributions under the plan for the years ended September 30, 2013 and 2012 were \$63,900 and \$59,324, respectively.
