# A LETTER FROM OUR NEW PRESIDENT

Friends,

OneChild invites you to join our global community of Child Champions. People from all backgrounds and cultures are joining together, as churches and as individuals, to have generational impact together.

We are committed to developing Generational Churches that bring hope to hard places. To do that, we build relationships between you and communities of believers around the world for the sake of children who need to know that God is a good and loving father.

OneChild celebrates growth in 2019, enrolling 1,692 more children in Hope Centers around the world and strengthening the quality of those programs through new commitments to systematic listening. Despite significant political and economic threats in almost all of our 14 countries, we remain faithful, present and stable even in the hardest places. We are tremendously grateful for our local partners who create the resilience and sustainability of child development programs that meet the unique needs of the context.

Please join us and discover the transformational impact of connecting your mission to our global community.

For the Kids,

Scott C. Todd, PhD  
President

**SCOTT TODD**  
PRESIDENT OF ONECHILD  
AS OF OCTOBER 1, 2019

# ONECHILD AT A GLANCE

## Who We Are

OneChild is an international child development ministry that helps meet the physical and spiritual needs of children living in poverty. We empower children to reach their God-given potential by creating opportunities for transformational development: spirit, mind and body. Through our development programs, children receive food, education, medical aid, and hope in God.

## How We Work

OneChild has church-based Hope Centers in some countries and Hope Center schools in other countries. We also provide critical care for trafficked girls in the Philippines and orphaned children in Kenya.

## Where We Work

OneChild has Hope Centers in these 14 countries:

**Africa:** Ethiopia, Kenya, Zimbabwe

**Asia:** Bangladesh, Cambodia, India, Nepal, Philippines

**Latin America:** Dominican Republic, Haiti, Honduras, Nicaragua

**Middle East:** Jordan, Lebanon

# THE YEAR'S HIGHLIGHTS

**OPENED** 49 new Hope Centers, many in remote areas to minister to marginalized people groups.

**RESCUED** and rehabilitated girls from trafficking in the Philippines through Happy Horizons Ranch.

**PLACED** abandoned babies in loving homes in Kenya through New Life Home Trust.

**PARTNERED** with medical teams to bring children dental care, immunizations and medicines.

**CONNECTED** 30,792 sponsors to 36,001 children.

# **HAITIAN IMMIGRANT FINDS WORTH IN DOMINICAN CHURCH**

*Pastors and other Child Champions  
are building community at Hope  
Centers around the world.*

Catica always felt like an outsider looking in.

Unwelcomed. Unaccepted. Unwanted.

When she was a baby, her mom fled with her to the Dominican Republic to escape a violent dictator in Haiti.

As soon as she was old enough to attend school, her classmates ridiculed her because she was Haitian. For years, they told her she didn't belong.

But today, she knows exactly where she belongs — the family of God.

From the minute she walked into Center of Life Church, she felt different. This is where she met pastor Gemuel Delgado and other church members who welcomed

her with open arms. The church, located in the Dominican Republic, partners with OneChild to bring families hope. “It’s been a big support,” says Catica. “In the beginning, my family and I felt bad. But Pastor Gemuel kept telling us, ‘I don’t know why you feel like you are less than you are!’ His words helped. Now we feel like we are important, no matter where we come from!”

Pastor Gemuel has worked tirelessly to bring Haitians and Dominicans together, to show them that all are equal and have value through Christ. All members, including sponsored kids at the church, are learning this crucial truth.

Catica is overjoyed that her daughters won’t grow up feeling unwanted like she did. They are sponsored through OneChild’s program and feel loved and treasured by their sponsors and the Child Champions at their church, including the teachers, cooks, and others who help them.

Today, Catica realizes that although she lives in poverty, God has amazing plans for her life. Recently, Catica made the brave decision to go back to school. She is set to graduate with a high school degree next year. When she graduates she hopes to study education at a university so she can encourage others as a teacher.

Catica and her husband are also grateful to their children’s sponsors and all the sponsors who help the kids in their community. “Your support has been very helpful because our kids receive medical help,” says Catica. “The program helps buy them clothes and toys. And I know they are in a safe place. I encourage you to keep helping. You have to know that what you do is important! Sometimes, kids may not have a family to show them love. Through the sponsorship program, they find what they need.”

Pastor Gemuel is excited about the future. “We work with the community to unite Haitians and Dominicans in Christ,” he says. “I’m a big dreamer. I want to see Haitians and Dominicans come together!”

*Pastor Gemuel Delgado*

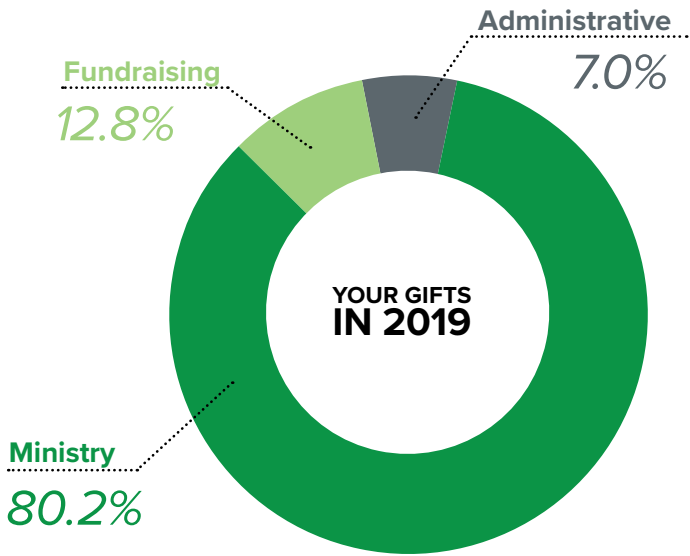

Pastor Gemuel is also grateful to sponsors and determined to make sure that every sponsored child feels valued. “Imagine all your life listening to the words that you are not important, and you will never become anyone,” he says. “That’s why we tell children how much they are loved and how important they are.”

Sponsors play a significant role in the miracles taking place in this community. “Thank you for supporting our vision,” says Pastor Gemuel. “Thank you for being the answer to our prayers. Thank you for being a blessing!”

# HOW YOUR GIFTS WERE USED

Our accountability to our donors is one of our highest priorities. Our goal is to use the funds entrusted to us as wise stewards. To do this requires continued monitoring of our fund distribution. Our goal is that at least 80 percent of our restricted funds are used for ministry purposes. We commit to distributing restricted funds to the field as quickly as possible.
