

OneChild is:

Personalized

We help pair **one child to one sponsor** to create a meaningful connection.

Contextualized

We **listen to our children**. Child Champions at our Hope Centers and schools customize approaches to children's unique cultural needs.

Generational

We **serve and build the Generational Church**, where generations of families are engaged and creating a stronger future, where children are heard, and where passionate leaders are committed to helping kids.

OneChild brings hope to kids in 14 countries.

OneChild®
Hope in hard places.

**Every child needs
a champion.**

Become one!

Join our global community of Child Champions. We are driven to help impoverished children thrive.

Together, we can transform generations. Here's how:

1. Sponsor a child.

This unique one-to-one relationship will change a child's life and yours too! Begin at **OneChild.org**.

2. Invite others.

Encourage your church, network or organization to host a sponsorship event or service. Learn more at: **bit.ly/OneChildJoinUs**

3. Donate.

Help fund key needs at **my.onechild.org/donate**

Join us to bring hope to more kids through:

FAITH

Children have opportunities to learn about God, His purpose for their lives and the hope He offers.

EDUCATION

Child Champions help children with their studies and teach them problem-solving, leadership, literacy, math, and other life skills.

HEALTH

Children receive nutritious food, supplements, medical check-ups, and additional care when needed.

RELATIONSHIPS

Child Champions encourage children and help them develop lasting relationships with others through fun and engaging activities.
