PRESENTATION GUIDE

***Inspire Others
to Change Lives
With You!***

At this very moment, a child living in a hard place is waiting for a sponsor who will bring hope. That child needs your voice. Be a Champion for OneChild and help transform children's lives!

THANK YOU FOR BEING A VOICE FOR THE VOICELESS

You are speaking up for those who can't speak for themselves!

You know the power of child sponsorship. You understand how it changes lives for eternity. **Now it's time to take the next step and speak up for children in need!**

Poverty lies to children, telling them that they have no future. Children need someone to speak truth into their lives and say, "God has great plans for you!"

That's where you step in ...

You can connect children with sponsors who will help them overcome poverty and thrive.

In this Ambassador Kit, you'll find resources you need to host a life-changing event. Please look through these materials and check out the videos and resources online to start planning now. Your 'Hope in Action' event is perfect for all audiences — from large churches to small groups!

Hosting is easy:

1. Introduce yourself — talk about sponsorship and what it means to you.
2. Share the true story of a child — we'll provide a compelling video for you to play.
3. Invite others to sponsor children and change lives with you.
4. Help people select a child at the Sponsorship Table or encourage them to find a child online.
5. Pray for impact — we invite you to pray right now that people will be moved by the Holy Spirit to give more kids a bright future.

“ Speak up for those who cannot speak for themselves. ”
— Proverbs 31:8

YOUR EVENT WILL BRING KIDS HOPE!

Start planning today.

Your "Hope in Action" event will inspire others to sponsor children and rewrite their stories forever. You're also going to help your church family live out their faith. And since all kids in OneChild's program learn about God's love, you are making an eternal difference!

To host this event or service, you need:

- *A venue:* a church, stadium, school, conference room, or someone's home — whatever works best for you.
- *A long table* where you'll display child packets of kids waiting for sponsors — for larger church services, you can reserve hanging display kits by emailing events@onechild.org.
- *A plan and date* — let us know when your event is scheduled so we can send you valuable resources like child packets (see the "Hope in Action" Checklist). Download your free materials at onechild.org/resources. You can also email events@onechild.org or call 800.864.0200.

It's that easy!

We're excited that you're giving others the opportunity to change lives for eternity and engage in global missions. God is going to accomplish amazing things through you!
