WELCOME!

Since Flatirons's inception, we have been passionate about bringing the awesome life of Christ to people in a lost and broken world. And we are thrilled that we get to partner with God in tangible ways to see people's lives impacted by the message of Jesus — not only in our city but around the globe.

That's why the leadership of Flatirons is extremely excited about a new partnership that God has opened for us with OneChild. OneChild is a ministry that sees a world where every child in poverty has a champion — someone who loves them and supports them as they overcome adversity. OneChild shares our heart to come alongside those in some of the world's most vulnerable situations — something God has called each of us to do!

By sponsoring a child in Honduras, you will be making a lasting impact on a child and their family by providing nutritional, medical, and educational assistance. But most importantly, you will provide an opportunity for these kids to learn about God's love for them.

I'm asking each of you to prayerfully consider joining my wife, Robin, and me in becoming a Child Champion. Together, we can accomplish so much more than any of us could ever achieve alone.

Let's continue to change the world, one child at a time!

All the believers were one in heart and mind. No one claimed that any of their possessions was their own, but they shared everything they had.
